

Easter 2008

Right: Taylor hugs Easter Bunny from Grandma and Grandpa.

Below Left: Taylor always looks forward to coming over our house, especially when Grandma makes 'spaghetti and bones', as Taylor calls them. (Riblettes). The sauce on her face shows she really gets with it!

Below Right: We made up an Easter Basket for Taylor using the 'bucket' so she made a hat of it as she holds an Easter Egg, marked "Daddy", she'll eat for her Dad.
