

We sang 'Happy Birthday' on Mark's 44th Birthday at his home. He got cash and several nice presents. Chad and Dan shown here, assembling a free standing DVD storage cabinet. LEFT: Mark makes first cut before we chow down!

Mark snuggles with Gage and Taylor, who helped him celebrate his birthday before we all went to "The Downtowner" resaturant for a bite to eat. RIGHT: Gage upset a whole glass of cold water and 'NaNa' mops up the mess. (Guess who was sitting right next to him?... Great Grandpa Joe!)
