

# MEMORIAL DAY 2004

**Mary did a fine job at the grill and the hot dogs and burgers were delicious!**

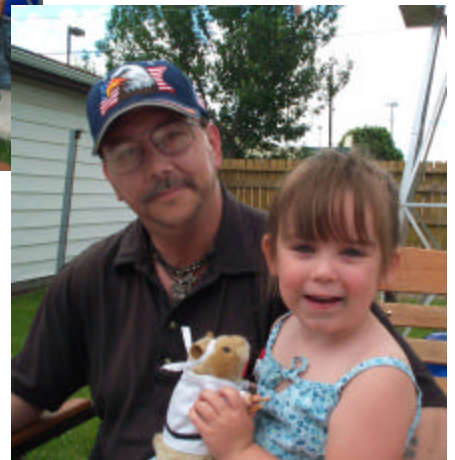

**Mark gives the food a 'taste test' and was quick to return for seconds, (as we ALL were!).**

**Relaxing on the deck are from left to right, Taylor, Amy, Chad, Karen and Mark, with Tammy waving in background.**

**Ashley and Joe III testing the wooden glider as Uncle Mark spoils Gage (left), and Taylor (right). Let's go back now for some beans and chips!**

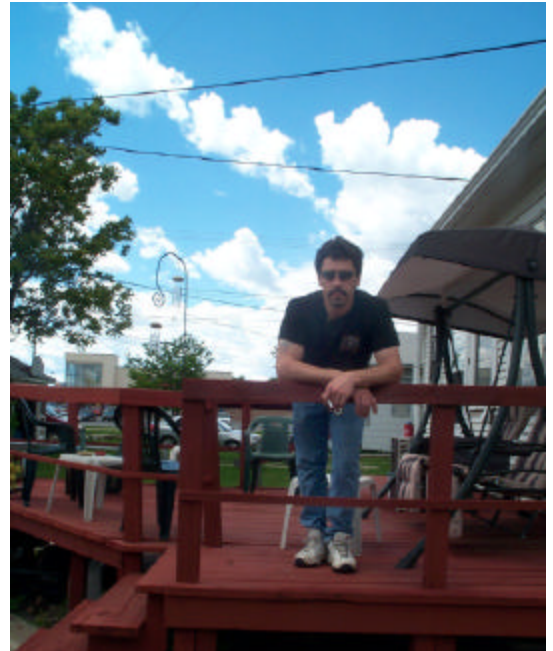

Memorial Day 2004 ~ Page Two

Gage keeps Chad and Karen occupied .....while Amy sees that Taylor is ‘hot dog’ed.

Of course, Grandpa Dan and ‘NaNa Tam’ enjoy Gage’s antics! Joe III pensively resting on the deck

A good time was had by all and we’re thankful we had the chance to be all together once again.
